MEMBER OF FRANK DANIEL'S 'COMPANY BRIDE OF EDINGS'

MISS RHODOTTA FERNER OF THE FRANK
DANIELS COMPANY, BRIDE OF JUDGE
WILLIAM SEABROOKE EDINGS OF
HONOLULU.

The Examiner says:

Bewitching Rhodotta Ferner, erstwhile soubrette of the Frank
Daniels and Neill-Morocco companies, set sail Saturday for Hono-
lulu, there to become, say members of her family here and in Los
Angeles, the bride of United States Circuit Judge William Sea-
brooke Edings.

The girl and the Judge plighted their troth, it is said, as the
result of a meeting sought by the jurist while the Daniels company
was playing in the island metropolis two years ago. Judge Ed-
ings's ardent admiration was reciprocated, 'tis said, and bouquets
and suppers testified his appreciation of the fair California actress'
wit and beauty. Still, there was no engagement.

Not long ago, however, Judge Edings visited San Francisco.
By a coincidence Miss Ferner was also stopping here with friends.
The Honolulu acquaintanceship was renewed, many attentions were
showered upon the charming soubrette, and while in the city the
Judge was constantly in her company. When he went away he car-
ried with him her promise to follow to the land of Aloha Nui to
become Mrs. Judge Edings.

All the arrangements are completed for the wedding in far
Hawaii as soon as the steamer makes port, a week from Thursday.
Judge Edings is a man of wealth and high social position and has
a beautiful home in the islands. As wife of a Circuit Judge the
former chorus girl will step into a proud niche in Honolulu society.

Miss Ferner's last stage engagement was at the Neill-Morocco
Theatre in Los Angeles, where she made a hit in stock perform-
ances. She is a sprightly brunette and well fitted by her beauty
and vivacity for ingenue parts, in which she has made her greatest
theatrical success. The engagement to Judge Edings has been kept
a profound secret, except to the young lady's family and intimate
friends. After promising to be Mrs. Judge Edings she quit the
Neill-Morocco company and spent several weeks visiting acquaint-
ances in this city and Los Angeles.

A WEALTHY IMPERIAL FAMILY.

The Russian imperial family number at the present time some-
thing like sixty grand dukes and duchesses. It is a fact that they
would one and all be wholly dependent upon the reigning emperor,
whose wealth is enormous—his minimum income is estimated as
being \$7,500,000—were it not that a former czar, Paul I., set aside
a certain number of estates to which he gave the curious name of
"the imperial appanages." The income of these vast stretches of
fertile land is devoted to the maintenance of all those members of
the imperial family who are not in the direct line of succession.
At the present time this source of income produces \$100,000,000 a
year.

USED HIS KNIFE TO EXCESS.

An Ohio man who was recently elected to congress went to
Washington to look around and see what his duties were. He was
hospitably received and was wined and dined a great many times
by his colleagues. Before he went home he said to his friends: "By
George, I have had a good time! I have had dinners and break-
fasts and suppers galore given to me. In fact, I haven't had my
knife out of my mouth since I struck town."

The crowded car was plunged in sudden darkness. "Guess they
didn't pay their gas bill," piped a small voice, cheerfully; and in
the laugh that followed the light returned, disclosing a well-dressed
but very red-faced matron busily rearranging her small daughter's
curls.—Town Topics.

The largest stone ever quarried came from a granite ledge in
Maine, to serve as one of the columns to support the dome of an
Episcopal cathedral in New York. The stone was sixty-four feet
long, eight and one-half feet thick and seven feet wide, its weight
being 310 tons.

In one unbroken nocturnal flight the European bird known as
the Northern bluetit has been known to travel from Central
Africa to the German ocean, a distance of 1,600 miles, making the
journey in nine hours.

The cries of no animals approach more closely that of the hu-
man voice than those of seals when lamenting the loss or capture
of their young. They emit a wailing and affecting cry similar to
that of a woman in deep grief.

**IT CURES NERVOUS MEN.
CURES BACK PAINS.
CURES STOMACH TROUBLES.**

Dr. McLaughlin's Electric Belt is a
popular remedy nowadays. It is the
only remedy which will cure while you
sleep. Just put it on when you go to
bed, feel the warm, glowing vitality
going into your weakened parts and
restoring their life and vigor, and not
a moment's inconvenience.

And you don't have to dose
your poor stomach with nasty
drugs. This shows what it does.

RHEUMATISM AND STOMACH CATARRH CURED.

DR. McLAUGHLIN—Dear Sir: One could not imagine the siege of
suffering I passed through from stomach trouble and rheumatism. I
was subjected to severe drug treatment, stomach pump treatment and
diet treatment, without the least relief. I grew disgusted with them
all, and as a last resort tried your belt two years ago. In three days
I could fling away my cane and in three months was a new man, en-
tirely cured, and felt better than I had for years. Several of my
friends have since purchased your belts. I would not part with mine
for \$1000 if I could not get another. Yours truly,

JOHN B. QUAY, Tomales, Marin Co., Cal.

ONE OF THE TRIUMPHS OF MOD-
ERN SURGERY—By applying an anti-
septic dressing to wounds, bruises,
burns and like injuries before inflama-
tion sets in, they may be healed
without maturation and in one-third
the time required by the old treatment.
This is one of the greatest discoveries
and triumphs of modern surgery.
Chamberlain's Pain Balm acts on this
same principle. It is an antiseptic and
when applied to such injuries causes
them to heal very quickly. It also al-
ways the pain and soreness. Keep a
bottle of Pain Balm in your home and
it will save you time and money, not to
mention the inconvenience and suffer-
ing such injuries entail. For sale by
all dealers. Benson, Smith & Co., Ltd.,
agents for Hawaii.
